The payments will be debited on the 15th of each month (or the first business day after the 15th) from the above referenced institution through the Automated Clearing House system until the loan is repaid in full.

3. Participant Request & Signature

I agree to make interest and principal payments when due. I understand that failure to make such payments when due will jeopardize the status of the loan as a non-taxable transaction and could result in the IRS treating the loan proceeds as a taxable distribution to me. In that event, I will immediately become liable for taxes and applicable penalties for premature distribution. I also understand that failure to repay this loan will reduce the benefits available to me from the retirement plan by the amount of the outstanding loan balance plus interest. Finally, I acknowledge that my loan is subject to the terms of the plan document.
